FEATURING MICHAEL REHBERG, LEAD INTERPRETER, BLACK POINT ESTATE AND GARDENS  
WITH SPECIAL GUEST JOE DEROSE, SURVEY HISTORIAN FOR THE WISCONSIN HISTORICAL SOCIETY

Please join us for this informative workshop as Michael Rehberg and Joe DeRose discuss the strategies for researching the history of your house. Attendees will learn about many of the resources available locally at libraries, historical societies, and city and county offices. They will also learn how to utilize maps and other important online resources.

Every house is unique, and information for any given property can sometimes be a challenge find, but this workshop will offer you plenty of places to begin your search.
